CLUB NOTES

FORWARD TO ROUND 3 IN LEAGUE CUP

North End continue to be somewhat erratic, the results of nine League games so far have run in threes — lost, won, drawn ; lost, drawn, won ; and drawn, won, lost : in other words a point per game, with the goals for and against (15-14) also very even but slightly in our favour, thanks to sounder defence.

Thus, while the first five Second Division games produced four points, the goals figures were 10-11, and the next four matches yielded five points with five goals to three. This improvement in defence was contained in Wednesday night's Football League Cup-tie with Plymouth Argyle, who lost by 1-0.

The results sequences are similar to those at the end of last season. The final match resulted in a 3-1 home victory against Norwich City, but in the previous six, starting with a home win versus Charlton Athletic, we won, lost, drew; drew lost, won. Two successive wins were something of a rarity.

Since the last match programme was issued we have — dropped a point at home to Middlesbrough in a game we should have comfortably won on the play, but did not owing to missed chances ; made hard work of repeating our victory at Plymouth; lost undeservedly at Huddersfield; and beat Plymouth a third time in mid-week.

CLUB NOTES—*continued*

Considering how much defending Plymouth did through being over run in two games at Deepdale, it might have been thought they had seen enough of us, but they battled on in the League Cup-tie as if determined that we, too, should have to undertake a second long journey to try conclusions in a replay.

That, fortunately, was not to be, Brian Godfrey finding his goal scoring touch again with the decider 10 minutes from the end and so repeating his success at Plymouth where he also scored the only goal of the game. He got one in when Scottish goalkeeper John Leiper seemed just about invincible.

Plymouth, as on their previous visit, concentrated on a negative spoiling system of defence and looked at times as if they comprised one goalkeeper, four full backs, four half backs and two forwards ! It was all very frustrating for the attacking side and irritating to spectators to see opponents not wanting to make a game of it. Nevertheless we had our chances.

A few went abegging, and more is the pity because Preston would have been very near the top, if not actually leading the division, if a higher proportion of the scoring opportunities created this season in all games had been taken. That has been the galling part of two or three disappointing results.

However, due credit must be given to Leiper for the magnificent part he played in Argyle's prolonged resistance. He made more than a dozen good saves and four or five of these, as Dawson, Wilson and Spavin would ruefully agree, were tip top. In addition a half back twice kicked off the line within a minute with his goalkeeper helpless.

The eventual outcome, thanks to a final surge of pressure on the Fulwood end goal, was the completion of a hat trick of wins against Plymouth without the loss of a single goal. We were spared an unwanted trip to Plymouth and can contemplate with satisfaction another League Cup game as a welcome change from falling at our first hurdle in the two previous seasons, both away from home. If we are drawn again at Deepdale so much the better.

North End gained the distinction of being the first League side to score at Huddersfield, and but for a regrettable last minute lapse in defence, of which Tony Leighton took full advantage to score his second goal, we would have had the greater reward of breaking their 100 per cent home record.

Congratulations to the Reserves on their continued improvement and their biggest victory — by 6-0 against Huddersfield Reserves — for a long time.

WORLD CUP GOALS

The aim of the World Cup Organisation for next year's Jules Rimet Cup final series, being played in England for the first time between July 11th and 30th, is to make it the most successful competition of its kind ever staged. Certainly it has had the right kind of send-off, financially, with more than £300,000 in the box office ten months before the event.

Nothing, of course, will help in the reaching of the goal more than goals — on the field. The evidence to date, from the qualifying competition now in its intensive concluding stages, is that there should be no shortage.

The first 77 matches in the qualifying groups produced no fewer than 240 goals, an average of 2.78 per match. In almost half of these games, that average was exceeded.

In 25 of the games, four or more goals were scored, with half-a-dozen providing five goals. Six were scored in four games. Only four of the 77 ended goalless.

OUR VISITORS—*Crystal Palace*

A cordial welcome is extended to Crystal Palace, who are paying only their second visit to Deepdale ; also to their officials and supporters. The first meeting between the clubs in League or Cup took place last December, North End winning by the only goal. Palace exactly reversed this result in the return match at Selhurst Park in March, so they were able to cry quits.

Newly promoted with Coventry City in August last year, both gaining 60 points, the Palace marked their return to Division II after an absence of 40 years with an excellent record, finishing seventh from the top with 45 points. Close behind were Coventry with 43. North End's final total was 41 points.

Both these recent Division III clubs, spurred by ambition, are again doing well, Until last Saturday Coventry were among the leaders, ahead of Palace, but the meeting ot these rivals resulted in the London side going in front through inflicting upon Coventry their first home defeat of the season.

Crystal Palace manager caused a stir by leaving out two of his most recent acquisitions, Derek Kevan from Manchester City and Ian Lawson from Leeds United, both fairly expensive captures, but he pooh-poohed talk of these being sensational moves by saying it was all part of a plan.

OUR VISITORS—*Continued*

He said the players had not actually been dropped. He simply chose the best available team for a specific match, one he thought best fitted to contain Coventry. The tactical move was justified by results. Coventry could not break down Palace's defence system, and Keith Smith, who was entrusted with the job of looking for goals, scored the decider.

It is interesting to find a manager bold enough to exclude men in reasonably good form so that he can tackle a side in a particular way.

The "Glaziers," to give Palace their nickname, are the second club to be known as Crystal Palace, the first having been founded in 1861. Their successors were founded in 1905 by workers on the staff of Crystal Palace, and gained a place in the old Southern League in 1906.

There they stayed until 1920, when Palace became one of the original members of the League Division III, gaining promotion as champions in their first season with 59 points, five more than Southampton's total. An initial meeting with Preston North End was missed in 1925-26 through the Palace being relegated to Division III when we dropped into Division II.

Like all clubs they have known their ups and downs, their League career includes three seasons (1958-61) in the Fourth Division, but they have not looked back since coming up with Peterborough United. Ambitious Palace are unusual in this respect — they are run by only four directors.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

SUPPORTERS' CLUB NOTES

The provision of hot meals before the last home game against Middlesbrough proved very popular and members will now be able to obtain hot foods before every first team game. Soup, pies, peas, sandwiches, etc., will be available from about 12 noon onwards.

Not very long ago the Southport British Legion invited two coach loads of Club members to visit them in their headquarters and provided them with a very enjoyable evening. This gesture is to be returned on Wednesday evening when a party from Southport will be visiting the Club. Five or six acts are due to appear on stage and all members who care to come along are ensured of a top class evening.

Tickets will soon be available for a special "Ladies Only Night" to be held in the near future. The Ladies will have entertainment and a hot pot supper provided. Providing that this proves to be a success the organising of a "Gentlemen's Only Night" and one for Weekly Draw Agents is foreseen.

It was regretted that members had to be refused places on the Club trip to Huddersfield last week. The only way to avoid disappointment of this nature is to book early — it is not feasible to arrange an extra coach late on Friday evening to transport a few members who arrive at the last minute.

Bookings for the following trips can be made after to-day's game until 5-15 p.m. and on Fridays between 7-30 p.m. and 9-0 p.m. Telephone enquiries to Mr. Dodd at Preston 53669 during normal office hours.

CARLISLE UNITED on Saturday. The coaches leave at 10-30 a.m. and the fare is 12/6 per head. No meal has been booked after the game but a stop will be made to allow members to provide their own meal on the return journey. No stand tickets at all are available.

BRISTOL CITY on the 16th October. Full details for this trip should now be available at the Club. Coaches will leave the Club at 6-0 a.m. and the fare inclusive of an evening meal, will be in the region of approximately £2.0.0.
